

A GROUP OF COMPANIES DEALING IN PROVIDING LOGISTIC, WARE HOUSING & INDUSTRIAL PREMISES FACILITIES

Introduction

Gauri Group is one of the foremost company providing the much required and firm back-end support to reputed business houses from India. We specialize in providing state of the art logistic, ware housing support and also provide well equipped industrial premises.

As our vision, we aim at providing the clients up to date and custom built ware housing facilities as well as Industrial Premises, required for various types of Industries. To ensure we taken a step forward in the right direction, we have already made a pool of land at strategic locations in & around Pune, near the Industrial area of Chakan famously known as Auto Hub. We are also constantly adding land to this pool.

We are experienced in this field for more than a decade and are aware of most of the client requirements. We already have successfully let out more than 2,50,000 sq. ft. of built-up area to corporate National & Multinational industries from various segments like :

- Logistic / Storage (Thermax Ltd, Essar Steel India Ltd, Premium Energy Transmission, GKN Sintered Metals, Gati cargo)
- Industrial (Ashok Leyland, IFB Automotive, Windals Auto, Shore Auto Exports, Yash Bright)
- Media (DNA News group)
- Transportation (FGR logistic, SSC Cargo)

These esteemed customers are with us since our inception & we are proud to have a 100% customer retention rate, which indicates the satisfaction level of esteemed customers.

We presently have 13 clients and the number is increasing day by day. We are also in a position to absorb new clients wishing to avail our services in the upcoming 500,000 sq. ft. area.

Highlights

The major highlights of our proposal are:

- Availability of facility in a span of about 500 mtrs from Nh4
- Facility available just outside the PCMC limits.
- Specifications of the Shed to suit customized needs of the project.
- Facilities inside the shed (premises) to suit the customized needs of the project.
- Tree plantation around compound.
- 24 hrs water facility.
- Facility with Mazzanine floor as per your requirements.
- Security for the entire premises (if needed).
- Internal roads in the premises as per requirement of the project.
- Housekeeping of the premises.
